

OUT OF COMMERCE WORKS AT EYE FILM MUSEUM

LEONTIEN BOUT

28 JUNE 2022

Eye Filmmuseum

Eye is currently participating in Stake holder dialogues AV works (key issues: when is a work out-of-commerce, when is a CMO representative)

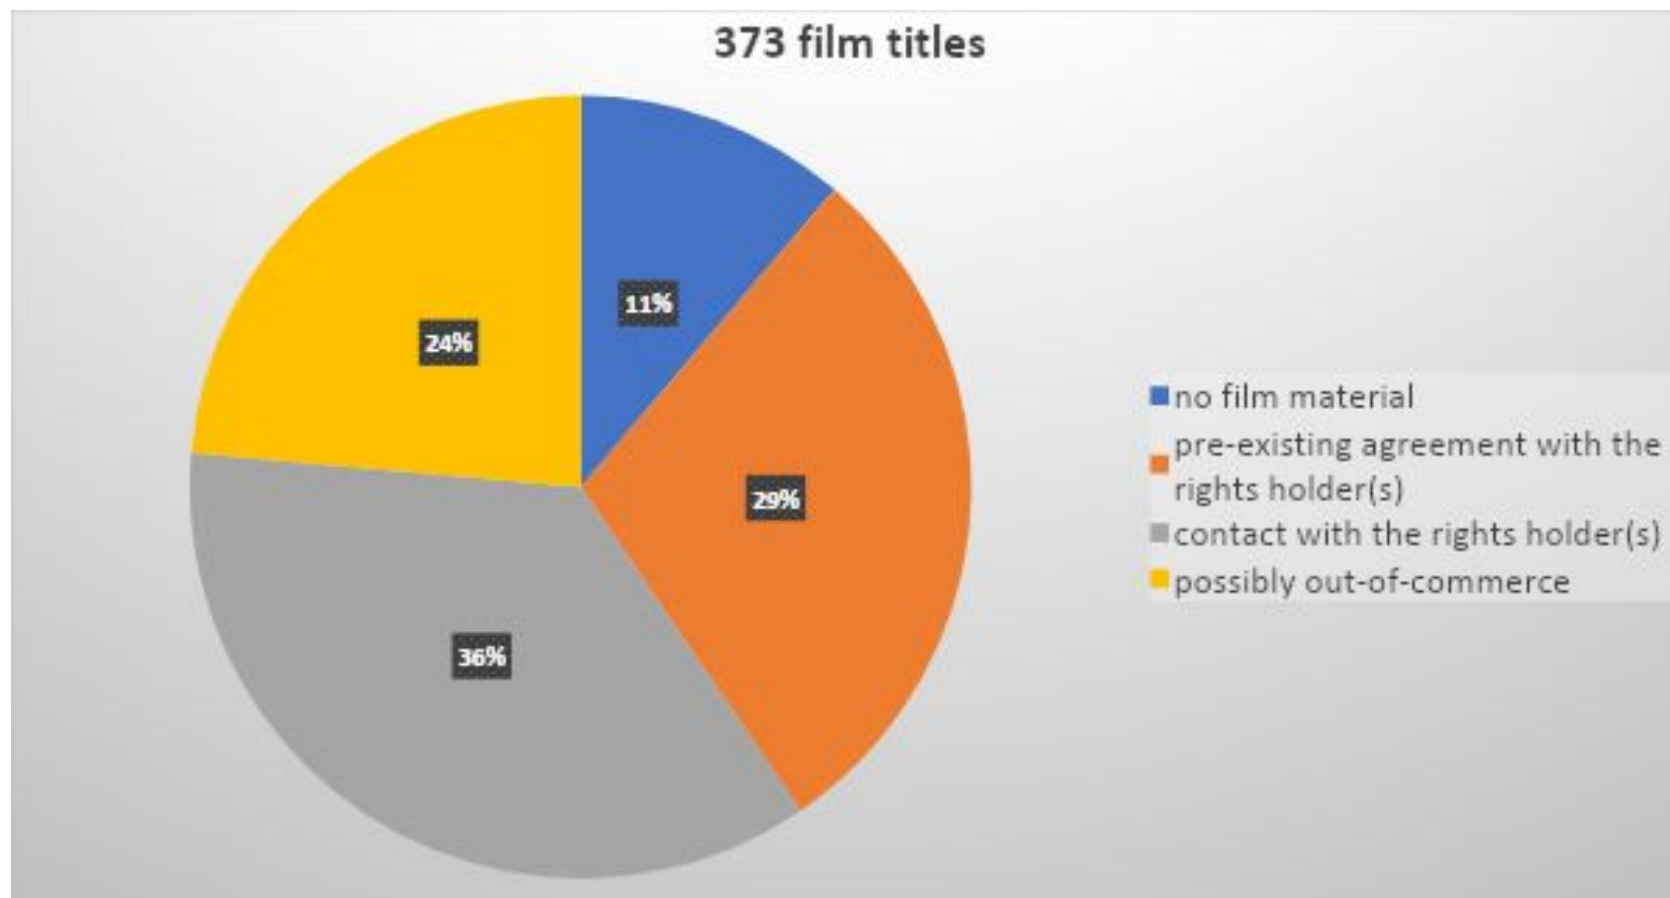

These dialogues already resulted in a draft agreement between the following stake holders besides Eye: Sound & Vision, NPO, NOS, KVAN, StopNL

- Cinematographic works: older than 50 years = out-of-commerce
- Never been in commerce (company films) or not intended for commerce (such as amateur film) = out-of-commerce
- StopNL agrees with making all these available based on art. 18c Aw. (fall back exception)

Further Analysis

88 possible out-of-commerce works

Short term further steps for Eye Filmmuseum

- As long as the stakeholder dialogues are ongoing: no out-of-commerce works uploaded to EUIPO database yet
- Possibly start with works that were never in commerce/not intended for commerce
- Note: also option to declare orphan
